

# NouriFusion™ MultiVitamin Toner— Normal to Dry

## TONES WITHOUT DRYING

### KEY BENEFITS

- Helps tone skin without drying
- Prepares face to receive moisturization
- Leaves skin feeling refreshed

This light, refreshing toner freshens skin and helps remove excess residue without drying skin. NouriFusion™ MultiVitamin Toner—Normal to Dry removes excess dirt, oil and residue, opens up pores and leaves your face feeling moisturized and refreshed.

Vitamins play a key role helping the body develop and maintain healthy-looking skin. Formulated with skin-enhancing antioxidant vitamins A, C and E, MultiVitamin Toner—Normal to Dry provides basic nutrition for your skin.

### DISCUSSION POINTS

- MultiVitamin Toner—Normal to Dry contains vitamins A, C and E and is alcohol free, so it won't strip skin.
- Panthenol: A form of vitamin B5 that acts as a moisturizer.
- Witch Hazel: Derived from a plant source, this ingredient is a skin freshener.
- Combine with other products: MultiVitamin Toner—Normal to Dry can be used with all other NouriFusion™ MultiVitamin skin care products.
- MultiVitamin Toner—Normal to Dry is also available as part of the NouriFusion™ MultiVitamin Normal to Dry System.
- Use MultiVitamin Toner—Normal to Dry every day, morning and night, right after cleansing.

## DID YOU KNOW?

The witch hazel shrub grows in North America and is known by several other names, including spotted alder and snapping hazelnut. Native American Indians, who valued the plant's toning properties, were early users of witch hazel's leaves and bark. MultiVitamin Toner—Normal to Dry is made with witch hazel and other botanical ingredients shown to benefit normal to dry skin.

### FAST FACTS

- Refreshing toner specially formulated for normal to dry skin.
- Helps remove excess, dirt, oil and residue.
- Alcohol free and non-stripping.
- Tones without drying.
- Skin feels moisturized, clean and refreshed.
