

ShapeWorks™ QuickStart Protein Plus Program

Losing weight with the ShapeWorks™ QuickStart Protein Plus Program is simple with Formula 1 Nutritional Shake Mix, Formula 2 Multivitamin Complex and Formula 3 Personalized Protein Powder. Formulated with Herbalife's exclusive Cellular Nutrition technology as the foundation for healthy weight loss, the ShapeWorks™ QuickStart Protein Plus Program provides you with scientifically based protein shakes and supplements. By protecting your cells with the proper balance of nutrients and providing your body with the right amount of protein, you can achieve weight loss with healthy, long-lasting results.

HIGHLIGHTS OF THE PROGRAM

- **Formula 1 Nutritional Shake Mix.** A meal replacement shake with heart-healthy soy protein, vitamins, minerals, herbs, enzymes and fiber, to leave you feeling satisfied and energized. When combined with nonfat milk or soy milk and Formula 3 Personalized Protein Powder, you get 25 to 30 grams of hunger-satisfying protein. Choose from five delicious flavors: French Vanilla, Cookies 'n Cream, Dutch Chocolate, Wild Berry and Tropical Fruit.**
- **Formula 2 Multivitamin Complex.** A blend of vitamins, minerals and herbs to help ensure your essential nutrient needs and support health and vitality as you lose weight.*
- **Formula 3 Personalized Protein Powder.** A soy- and whey-protein supplement that is added to shakes in an amount personalized for each individual, to satisfy hunger and help build and maintain lean muscle mass. Contains 5 grams of protein per tablespoon, with no fat, cholesterol, carbohydrates or sweeteners.
- **Cell Activator.** Poor diet, poor digestion or high levels of stress can contribute to fatigue and lowered resistance. Cell Activator capsules include a blend of essential nutrients plus select botanicals, to support cellular energy production and stamina.*
- **Herbal Concentrate.** An energizing and thermogenic beverage with green tea and select herbs. Can be enjoyed hot or cold.
